Welcome

For over 100 years The London School of English has been helping people to become more effective users of English. Our clients leave us with new skills and the confidence to be better international communicators.
Our Locations

Westcroft Square
Westcroft Square is in Chiswick, a pleasant shopping and residential area, which is lively yet safe. Many of our host families are in this area and the school is just 3 minutes' walk from Stember Brook underground station in Zone 2 - 20 minutes from the centre of London.

Holland Park Gardens
Holland Park is one of the best residential areas in London, close to fashionable Notting Hill and the exclusive shops of Kensington, and just a few minutes' walk away from Westfield - one of Europe's largest inner-city shopping centres.

Canterbury
Canterbury is a beautiful, historic town, dominated by the magnificent gothic cathedral. The city dates from pre-Roman times and has three UNESCO World Heritage Sites, a magnificent new theatre, museums, art galleries, traditional pubs and international restaurants.

My week in London was wonderful. Better than I expected. Holland Park is a charming place where enjoyed going every day. I'm really satisfied.

Living in Canterbury

We put a lot of care and attention into how you spend your time outside formal training hours. This is what makes a Canterbury immersion course an authentic experience of England. An important part of that experience is your accommodation. It is important that you feel comfortable and relaxed at the end of a challenging day.

Homestay

Our executive homestays are exceptional and we strongly recommend this as the best way to complete your immersion experience. Our hosts offer a genuinely warm welcome and high standard of hospitality.

Hotels

Our partner hotels, located within walking distance of the school, are a good choice if you have a lot of company work to do in the evenings.

Apartments

For those who prefer their own space, we work with a number of private apartments across Canterbury. All apartments offer stylish, high quality accommodation with an en suite bathroom and cooking facilities.

Residences

During July and August, we work with St George's residence, a modern student residence with an excellent, central location just a 15 minute walk from the school.
